

GENERAL ADMINISTRATION

Staff Supervision

Joint Agreement personnel are the legal employees of the Administrative Agent District, but are supervised by the Executive Director, Assistant Directors, or their respective designees. The Joint Agreement staff are responsible for the supervision of the special education program housed in the Administrative Agent's educational facilities. The Member Districts, including the Administrative Agent District, are responsible for the general day-to-day operation and supervision of the programs housed in their facilities.

The Joint Agreement is responsible for providing technical assistance and consultation to its Member Districts regarding special education programs and services, including planning and conducting in-service activities and classroom visitations when appropriate and/or requested.
